Warren

INCUBATOR SPACE

We have an incubator program for nonprofits whose values and strategic priorities align with our own. Boost your organization's capacity through resources, programming and office space in our building. Email capacitybuilding@weanfoundation.org for more information.

VENUE RENTAL

Looking for a venue for your next event? Located in Warren's Courthouse Square, we offer conference rooms for community use free of charge. Our space can accommodate groups of 10-120, with multiple layout options and a catering kitchen. Email info@weanfoundation.org to learn more.

For event registration, to sign-up for email updates and for more information, visit weanfoundation.org/boost-capacity
